By May 6, 2011

My Service Project was: _____

It has been some time since the idea of a service project was presented to me. What was once an idea has become an experience? Now that I have completed my service project, I can ask myself:

1. What are my feelings about my service project?

2. In doing my project what problems or difficulties did I have? _____

3. What part of my service project gave me the most satisfaction? Why? _____

4. How has my service project helped me prepare to be a confirmed Christian? _____

5. In the future I will service others by _____
